

Curriculum Vitae

Khalid Sheebi

Damascus, Syria

Cell phone: +963999814296 - +963956358026.

PERSONAL DETAILS:

NAME	:	KHALID SHEEBI
DATE OF BIRTH	:	8/6/1974
NATIONALITY	:	SYRIAN
GENDER	:	MALE
CONTACT NO.	:	+963999814296 - +963956358026
MARITAL STATUS	:	Married – father of three children.
DRIVING LICENSE	:	Syrian Private
EMAIL	:	sheebi@hotmail.com , ksheebi@gmail.com

CAREER INFORMATI

Self-motivated and ambitious consulting engineer, with very good achievement during the academic study years.

Horizon of understanding and management of engineering problems.

EDUCATION & QULIFICATION:

- ✚ 2013: I have a PhD. Degree in Electrical Engineering in Department of Electrical Power Systems Engineering, about the topic entitled “Improving the performance of electrical distribution Networks by using hybrid filters “at the rate of (74.8 %) with a good estimation, at the University of Aleppo, Syria, with the cooperation of GREEN laboratory, Henri Poincare University, Nancy, France.
- ✚ 2004: I have a Master Degree (MSc) in Electrical Engineering in Department of Electrical Power Systems Engineering, about the topic entitled “A Study Of The Harmonics In An Industrial Electrical Network Aimed At Finding A Suitable Treatment “at the rate of (90 %) with a very excellent estimation, at the University of Aleppo.
- ✚ 1999: I have a Diploma in High Studies in Electrical Engineering in Department of Electrical Power Systems Engineering at the rate of (74.33 %) with a very good estimation, at the University of Aleppo.

- ✚ 1997: I have a Degree of Electrical Engineering (B.E.E) in Department of Electrical Power Systems Engineering at the rate of (72.68 %) with a very good estimation.
- ✚ 1997: I have a Certificate of Basel Al Assad martyr for the superior graduated in Electrical Engineering (Department of Electrical Power Systems Engineering) at the 1st order with a very good estimation, for the studying year 1996-1997 at the University of Aleppo.
- ✚ 1996: I have a Certificate of Basel Al Assad martyr for the academic superiority in Electrical Engineering (Department of Electrical Power Systems Engineering) at the 1st order with a very good estimation, for the studying year 1995-1996 at the University of Aleppo.
- ✚ 1992: graduated from secondary school in Der Ezzor city with an average of (180/260).

WORK EXPERIENCES:

- ✚ 2015: I'm a consulting engineer in Electrical Engineering (Studying of Electrical Power Systems projects), Engineers syndicate of Syria.
- ✚ 2011: I'm a member of board in the Syrian Computer Society (SCS).
- ✚ From 3/1/1998 up to date: joined the ministry of health, Der Ezzor directorate as Electrical Engineer holding the position of head manager of engineering office in Der Ezzor directorate to plan, control, coordinate and supervise all the Projects belonging to the interest of Der Ezzor health directorate.
- ✚ From 1/9/1997 till 2/1/1998 have worked for WESTERN ATLAS Geophysical, ZENOBIA contract with SHELL as a joint engineer between the company and Der Ezzor municipality to find out the electrical power cables in the city streets to be avoided by the (VIBES-TRUCKS)
- ✚ From 1/7/1996 till 1/9/1996: have worked for Eng. DEAP consulting engineering associate in Der Ezzor as a trainee engineer having the experience of the methods of designing and computing the matters related with electrical engineering specialization.

TEACHING ACADEMIC COURSES:

- ✚ From 15/9/2014 up to date: I have worked for Al Jazeera University as a PH. D. lecturer, teaching courses (Computer Skills /1+2/, Electrical Equipment for Building for Faculty of Civil Engineering, Installation for Building for Faculty of Architecture Engineering, and Electrical Circuits for Faculty of Computer Engineering).
- ✚ From 15/9/2013 till 28/6/2015: I have worked for Al Furat University Faculty of Mechanical and Electrical Engineering as a PH. D.

lecturer, teaching courses (Electrical Installation, Basics of Electrical Engineering and Mathematics /2/).

TRAINING COURSE:

- ✚ From 20/9/2005 till 7/11/2005: have attended a training course in project manager by using programs: Primavera Planner Systems MS Project and CMMS, in Engineers syndicate of Syria branch of Der Ezzor City.
- ✚ From 22/10/2001 till 29/10/2001: I have been attended a seminar in dialysis water treatment, in (Culligan) company in ITALY.
- ✚ From 8/10/2001 till 12/10/2001: have attended a training course in maintain and service, in (GAMBRO) company in Sweden, for product (Integra).
- ✚ From 14/1/2000 till 28/1/2000: I have attended a training course in maintain and service, in (Richard Wolf) company in Germany, for product (Extracorporeal Piezoelectric Lithotripsy System Type 2501).

ENGINEERING PROCEDURES:

During my working I have an experience to deal and manage some of projects such as:

- ✚ Lighting Design for building and plants.
- ✚ Design for Substations and distribution Networks.
- ✚ Power quality (treating of distortion by using filters).
- ✚ Generators and Elevators (Installation, Operation, and Maintenance).
- ✚ Medical devices and equipment (Installation, Operation, and Maintenance).
- ✚ Stations of treating water for medical and food using.

LANGUAGE PROFICIENCY:

- ✚ Arabic (Mother Tongue)
- ✚ English (Good)

SKILLS:

- ✚ English language skills writing, reading, speaking, listening and fast typing Arabic and English.
- ✚ Ability to directorate to plan, control, coordinates and supervises all the Projects.
- ✚ Ability to assume management affairs and deal with Projects professionally.

- # Ability to work under pressure
- # To have the Ability to handle with the problems efficiently.
- # Hardworking and diligent.
- # To abide with the timings and conditions of work.
- # Ability to communicate with the team works.
- # Ready for accomplish tasks at given time.
- # Professional with computer software programs and its related applications (Auto Cad 2014 – MS Office 2014 - visual basic6.0 – Mat lab 6.5)
- # Professional executive work.
- # Professional correspondence and settle for agreements.

OTHER INTERESTS AND HOBBIES:

Jogging, reading and watching Hollywood movies.

DECLARATION:

I hereby declare that all above mentioned information is true and correct based on my knowledge and belief, provided that I have Certificate of Experience.

I would like to discuss my CV with your esteemed in an interview, if you require for further information.

Curriculum Vitae

REFEREES:

- # Prof. Omar Hamandouch. Head of The Electrical Power System Department, University of Aleppo, oah.hamandouch@gmail.com.
- # Prof. Shahrokh Saadate. Head of green laboratory (inpl+uhp+nancy1), email: Shahrokh.Saadate@green.uhp-nancy.fr, Shahrokh.Saadate@univ-lorraine.fr, Tel: ++33(0) 383684131 - ++33(0) 623409105.
- # Prof. Mohamad Hameed. Head of The Al Jazeera University, email: info@jude.edu.sy, web site: www.jude.edu.sy.
- # Engineers Syndicate of Syria, Head of The Al Jazeera University, email: osea@net.sy, web site: www.syrianengineers.com, Tel: ++963 2214916 - ++963 2214718.
- # Prof. Omar Hamandouch. Head of The Electrical Power System Department, University of Aleppo, oah.hamandouch@gmail.com.
